

Can Your Small Business Cash Flow Your Business's Future?

This workshop will provide participants with information on how to identify your current cash flow and how to project the future cash flow of your business. Your instructors are Rick Indrelie and Mark Thein, SBDC consultants and certified Economic Development Finance Professionals. Both Rick and Mark have over 20 years of experience in the accounting and finance field.

MINNESOTA SMALL BUSINESS
DEVELOPMENT CENTERS

Topics Covered in this Workshop are:

Identifying your business's current cash flow

Ways to increase your company's cash flow

How does your inventory level affect your cash flow

Should you pay cash for a new piece of equipment or get a loan?

Can you afford to add a new product line or expand your existing business?
